

TDC Course Completion Survey

1. Mobile devices are just another educational fad.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

2. I can learn how to significantly increase my students' achievement in an 8-week course.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

3. I feel comfortable using mobile technologies to engage my students' parents so they can help me reach my curriculum goals.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

4. I feel prepared to be evaluated using new accountability rules which are based upon student surveys, student achievement gains, and classroom observations by outsiders.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

5. I feel comfortable using mobile technologies (tablets and smartphones) to provide out-of-class content for my students that could fundamentally change the way they learn.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

6. I feel comfortable using mobile devices and apps to support learner-centered strategies that address the diverse needs of all of my students.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

7. I feel that mobile devices (smartphones and tablets) can have a positive impact on student learning within the PK-12 environment.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

8. I feel that mobile devices (smartphones and tablets) can have a positive impact on student learning outside of the PK -12 environment.

Strongly Agree Agree Neither Agree nor Disagree Strongly Disagree

9. Integrating mobile technologies and videos for my students to use outside of my classroom has the potential to significantly improve the performance of my students.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

10. I feel confused and frustrated when attempting to integrate newer technologies into my curriculum.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

11. I feel comfortable planning and managing newer technologies within the context of learning activities.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

12. I feel comfortable integrating mobile devices into my curriculum.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

13. I understand how the pervasiveness of technology and media has changed how students learn and communicate.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

14. I know how to use technology to develop students' higher-order skills and creativity, especially for their use outside of my classroom.

Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

15. I can dramatically improve my teaching by creating content for use by my students outside of my classroom (e.g., at home, in a car, on the school bus).

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

16. I can dramatically improve my students' learning (i.e., test scores) by creating content for use by my students outside of my classroom.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

17. I use mobile devices and mobile technologies to communicate and collaborate with peers, parents, and the larger community in order to nurture student learning.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

18. Creating new content for use on mobile devices is too time-consuming for me to do.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

19. I can identify and locate apps and evaluate them for accuracy and suitability.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

20. Mobile devices have the potential to fundamentally change the way I teach.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

21. Mobile devices have the potential to fundamentally change how my students learn.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

22. Digital books will have a huge impact on educational practices.

Strongly Agree Agree Neither Agree
nor Disagree Disagree Strongly
Disagree

23. I apply mobile technologies (smartphones, tablets, and apps) to enable and empower learners with diverse backgrounds, characteristics, and abilities.

- Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

24. It is very difficult, if not impossible, for me to raise the test scores of all my students in one term.

- Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

25. Most educational trends come and go; traditional teaching methods will always be effective.

- Strongly Agree Agree Neither Agree nor Disagree Disagree Strongly Disagree

26. What words would you use to describe your experiences in this class?

27. Please explain how this class has increased your ability to use mobile technologies in K-12 education.

28. How will you use the principles from this class to increase parental involvement?

29. What is the most important thing that you learned in this class?

30. One year from now, how do you see yourself using mobile technologies to create

out of class learning opportunities for your students?
